BACK TO
CHURCH
SUNDAY[®]
SEPT 12, 2010

How many people do you know who “used to go” to church, but just don’t anymore? Studies show only 20 percent of Americans are regular attendees. Back to Church Sunday provides the perfect opportunity for people everywhere to rediscover church and for those in church to take the opportunity to invite them. Don’t miss this opportunity to try church again.

These churches are participating in your area.
